COMMUNICATION

This communication is in response to applicants' "Request for Filing Receipt" filed 27 February 2001.

A review of the above-captioned application reveals that applicants renewed petition under 37 CFR 1.42 to have the USPTO accept a declaration signed by the legal representative of a deceased co-inventor was dismissed on 30 May 2001. Applicants were given two months to respond.

Since a declaration in compliance with 37 CFR 1.497 has not yet been received, applicants have not completed all the requirements of 35 U.S.C. 371. A filing receipt is not issued in a national stage application until all the requirements of 35 U.S.C. 371 have been met.

Please direct further correspondence with respect to this matter to the Assistant Commissioner for Patents, Box PCT, Washington, D.C. 20231, and address the contents of the letter to the attention of the PCT Legal Office.
